Midnight Waltz

Nagabe

He had been all alone in this huge mansion for the longest time, remember?

Ooh, the master looks happy

He changed when the human came to the house

We couldn't be more glad

And now he's throwing a ball every night

After all he doesn't look human

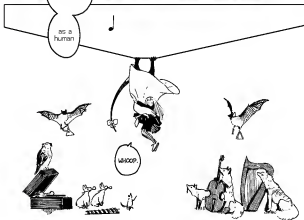

But is it all right?

Shhh

Don't mention his appearance when he's around

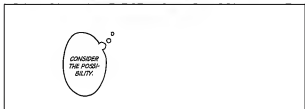

THAT
I'M NOT
ACTUALLY
HUMAN.

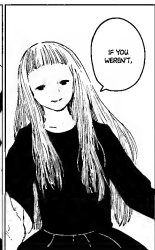

OF COURSE
YOU ARE.

I WOULDN'T
BE YOUR
PARTNER.

IF YOU
WEREN'T,

WILL
YOU DANCE
WITH ME?

COLIE.

WE'LL
DANCE
AGAIN.
